

**Combined Laboratory & X-Ray Technologist
Permanent Full Time
La Ronge, Saskatchewan**

The SHA is the largest organization in Saskatchewan, employing over 43,000 employees and physicians responsible for the delivery of high quality and timely health care for the entire province.

We are driven by the commitment to improve frontline patient care for Saskatchewan people, and we are working together to better coordinate health services across the province to ensure patients receive high quality, timely health care, wherever they live in Saskatchewan. Establishing one provincial approach to plan and deliver health-care services will break down geographic boundaries and service silos, to provide more consistent and coordinated health-care services across the province.

We are currently seeking applications for the following Combined Laboratory Technologist positions in La Ronge, Saskatchewan:

- **Posting GO-00701260** – Permanent Full Time, 112 hours per 3 week rotation, Days & On-Call
- **Posting GO-00701262** - Permanent Full Time, 112 hours per 3 week rotation, Days & On-Call

Required Qualifications

- Combined Laboratory & X-Ray Technologist Diploma

Knowledge Skills & Abilities:

- Ability to work independently
- Analytical skills
- Basic computer skills
- Communication skills
- Interpersonal skills
- Organizational skills
- Valid driver's license, where required by the job

Other Information:

Pay Band 14: \$33.740 to \$36.110 (3 step range)

The official job descriptions are found on the Provider Group website, <http://www.working-for-health.ca/supportjobevaluation/>

Additional Text:

This position may be eligible for up to \$10,400.00 in incentives from the Saskatchewan Health Authority and between \$30,000 - \$50,000 from the Ministry of Health.
